SIR,

Adverting to Government order No.1013-14/Muz.30-4-10 -- dated 13th November 1929, sanctioning an establishment for the management of the properties of the Sri Sosale Vyasaraja Swami Mutt in British India, I have the honor to invite kind reference to my letter of 4th November 29 recommending, among other matters, that the pay of the clerk may be fixed at Rs.60/- a month. The recommendation was based on the consideration that the services of a really efficient clerk having high educational qualifications were needed so that the work might be done efficiently. From a cursory study of the affairs of the Institution with respect to the properties so far as I could gather from the papers handed over by Mr.Vasudevachar on the 7th instant upto now, I find that the affairs of the Mutt properties are in a most neglected condition and that it requires considerable effort to bring them to some state of order and therefore there must be both capacity and willingness on the part of the official employed on the work to get thoroughly into the intricate questions, requiring the launching of several Civil suits in the most litigious country, to realize the assets.

Having all these aspects in view, I have appointed a promising intelligent law graduate who was working in acting vacancies in the Revenue Commissioner's office. He has been on the work since the date of the Government Order referred to above and is doing out

doing it with enthusiasm. I am of opinion that the work fully deserves the pay originally recommended. I beg to recommend that Government may be pleased to kindly reconsider the matter and sanction a pay of Rs.50/- per month to the official with effect from 18th November 1929.

I have the honor to be,

Sir,

Your most obedient servant,

MUNICIPAL COMMISSIONER.

SIR,

Advertring to Government order No. Ills-4 Muz.28-28-18 dated 13th November 1929 sanctioning an Establishment for the management of the Sri Vyasaraya Matt properties outside the State, I have the honour to state that as there was much preliminary work to be done in connection with sorting the old records and carrying on correspondence with the swamigalu and lawyers in connection with pending suits etc., the clerk was entertained with effect from 20th November 1928, more particularly in view of the fact that the Muzrai agency Establishment had to work under my orders.

2. The Comptroller to Government to whom the bill for pay due to the official for the month of November 1929 was sent, could not pass the bill on the score that the clerk was sanctioned for work under the Amildar and that no whole time clerk had been sanctioned for this office and that the claim cannot be admitted. therefore

The circumstances under which the clerk had to be entertained was explained in this office reply dated 7th December 1929 and the bill is retransmitted for audit. While returning the bill unpassed the Comptroller observes that the appointment of the clerk prior to the Amildar's resuming charge of the office etc., is not authorised.

I beg to state in this connection that the Amildar appointed for the purpose could not take charge on account of cholera sickness to him and that the work that was to be attended to by him was done by

in

in the office with the help of the clerk sanctioned in t
and to observe that while the Government order sanctions both
appointments and as such they could be made from the date of sanc
the Comptroller's refusal to pass the bill of the Establishment ---
sanctioned by Government, merely because the Amildar could not join
duly earlier does not appear to be tenable. However, as he has --
objected to the bill, he may be addressed to pass it in the circumst
explained above.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.
